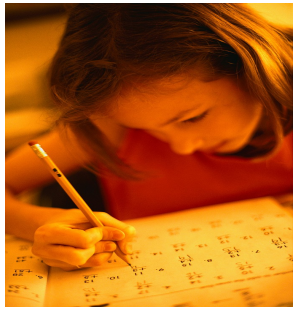
A PARTNERSHIP WITH SPRING RIDGE MIDDLE SCHOOL

MENTORS, READING AND MATH TUTORS NEEDED

- Mentors and students meet one-on-one, at least one-half hour a week during the student's lunch period to provide extra attention, help with schoolwork, and friendship.
- The one-to-one nature of the meetings helps create valuable relationships between mentors and students, and provides students with encouragement for academic success.
- The program helps young people become all they can be by building self-esteem, self-confidence, interpersonal communication skills, social values, aspirations and scholastic achievement.
- Training and reading materials will be provided

.....Most people have had a parent, special person, or mentor in their lives that encouraged them, recognized their accomplishments, supported their efforts, and noticed their potential. If you had someone like this in your life, you can understand the impact that these people can have on an individual's future.



Make a Difference in a young person's life!!!
